

West Africa Water Supply, Sanitation, and Hygiene Program (USAID WA-WASH)

Letter n°3398/USAID WA WASH/RD

Ouagadougou, October 13, 2017

LETTER OF RECOMMANDATION

As the Regional Director of the USAID WA-WASH Program funded by the US Agency for International Development, I had the opportunity to supervise Mr. Cesar Ochoa during his virtual internship from June 12 to September 11, 2017. During his internship, Mr. Cesar Ochoa worked on a number of tasks:

- Document translation from English to Spanish
- Proofreading of English documents
- Editing of Spanish documents

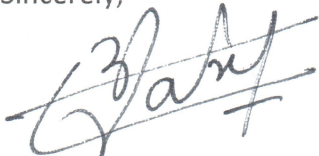

Mr. Cesar Ochoa is a hard worker and devoted to her tasks. He has always given his best despite the pressures, the working environment, and the demands on him in our fast paced environment.

He has been able to adapt rather quickly to the Program requirements and has shown by his strong interest in program activities. He has carried out with rigor and enthusiasm his tasks.

Having no doubt about his capacity to succeed, I strongly recommend him as a reliable and responsible person who can bring a lot to a professional team.

I am available for any additional information, if necessary.

Sincerely,

Dr. Lakhdar BOUKERROU
Regional Director
FIU/USAID WA-WASH
