To the Global Learning Medallion Program:

This letter is to certify that Cesar Augusto Ochoa has volunteered with Paper Airplanes during the Fall 2019 semester. Paper Airplanes provides free, one-on-one virtual language and skills instruction to people affected by conflict. Our goal is to help these individuals learn critical languages and marketable skills for their pursuit of higher education and employment.

As a tutor in Paper Airplanes' English Program, Cesar completed a 3-4 hour new tutor training at the start of the Fall 2019 semester and worked one-on-one with a student via video-conferencing software. Between September 2019 and December 2019, Cesar tutored 12 hours and spent additional time preparing lesson plans and checking in between sessions. In total, he volunteered 27 hours.

If you have any additional questions about Cesar's experience with Paper Airplanes, please do not hesitate to contact me at [kaitlinlucas@paper-airplanes.org](mailto:kaitlinlucas@paper-airplanes.org).

Sincerely,

A handwritten signature in black ink that reads "Kaitlin Lucas". The signature is fluid and cursive.
